To the Members of United Way Halton & Hamilton:

Qualified Opinion

We have audited the financial statements of United Way Halton & Hamilton (the "United Way"), which comprise the statement of financial position as at March 31, 2022, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the United Way as at March 31, 2022, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, United Way derives revenue in the form of support from the general public and estate legacies, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of United Way and we were not able to determine whether any adjustments might be necessary to support revenue from the general public and estate legacies, excess (deficiency) of funds available for distribution over expenses, and cash flows from operations for the year ended March 31, 2022 and March 31, 2021, current assets as at March 31, 2022 and March 31, 2021, and net assets as April 1 and March 31 for both the 2022 and 2021 years. Our audit opinion on the financial statements for the year ended March 31, 2021 was modified accordingly because of the possible effects of this scope limitation.

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the United Way in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the United Way's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the United Way or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the United Way's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
 of the United Way's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the United Way's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the United Way to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Description of the business

United Way Halton & Hamilton (the "Organization" or "United Way") exists in order to improve lives and build community by engaging individuals and mobilizing collective action.

The Organization is incorporated under the Ontario Corporations Act as a not-for-profit organization and is a registered charity under the Federal Income Tax Act, Registration Number 0033555-03 (Business Number 10746-2988-RR0001). In order to maintain its status as a registered charity, United Way must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

Management continues to assess the impact of the COVID-19 pandemic and governments' responses to it on the Organization. The duration and impact of COVID-19 is unknown at this time and it is not possible to reliably estimate the impact that the length and severity of these developments will have on the financial results of the United Way in future periods. The United Way has assessed that the most significant risk relates to the collection risk of pledges receivable outstanding as at March 31, 2022 (Note 3).

2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook and reflect the following significant accounting policies:

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Key components of the financial statements requiring management to make estimates include the allowance for uncollectible pledges and the useful lives of capital assets. Actual results could differ from these estimates.

Fund accounting

The Organization follows the restricted fund method of accounting for contributions.

Operating fund

The Organization has established an Operating fund for the purposes of recording the excess of revenue over expenditures related to ongoing programs and activities. All community investments and United Way community services and operations are financed from this fund.

Reserve fund

The Organization has established a Reserve fund to ensure the long-term financial stability of the Organization and position it to respond to varying economic conditions, changes affecting the Organization's financial position and the ability of the Organization to carry out its mission.

Capital asset fund

The Organization has established a Capital asset fund for the purposes of recording the grants received and funds allocated for the premises and equipment used in its operations. The balance in this fund represents the net investment in capital assets.

2. Significant accounting policies (continued)

Fund accounting (continued)

Endowment fund

The Organization has established the Tomorrow fund to benefit future generations living in the Halton & Hamilton communities.

Revenue recognition

Contributions

Restricted contributions related to general operations are deferred and recognized as revenues of the Operating fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenues of the appropriate restricted fund as received. Unrestricted contributions are recognized as revenues in the Operating fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Centrally coordinated campaigns

Certain United Ways are requested to act on behalf of employers and employee groups as the coordinator of their national campaigns and to receive and disburse funds on behalf of other United Ways within local communities. These campaigns are known as Centrally coordinated campaigns ("CCC").

a) Funds received from other United Ways:

These funds from other United Ways under the CCC arrangement are reported when received.

b) Funds received for other United Ways:

Funds received by United Way under the CCC and CCC type arrangements are included in the campaign revenue amount when distributed – these distributed funds are recorded as a reduction to campaign revenue.

Grant revenue and other income

Grant revenue and other income represents funds received from foundations and governments. These revenues are recognized when the related program expenses and grants have been disbursed.

Investment income

Investment income includes dividends, interest, income distributions from pooled funds, realized gain/losses and the net change in unrealized gain/losses for the year and are recognized on an accrual basis.

Contributed materials

Donated goods are recorded at their fair market value at the time of donation.

Contributed services

Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

2. Significant accounting policies (continued)

Fundraising and other expenses

Fundraising and other expenses are recorded as expenses when incurred.

Allocations to community investments

Allocations to community investments are endorsed by the Board of Directors. A liability and expense are recorded for these allocations to agencies in the period that the allocations are approved and announced.

Financial instruments

Financial assets and financial liabilities are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, all financial instruments are measured at amortized cost. Interest earned on short-term investments and guaranteed investment certificates are included in investment income in the statement of financial activities and changes in net assets.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in excess (deficiency) of funds available for distribution over expenses an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to excess (deficiency) of funds available for distribution over expenses in the period the reversal occurs.

Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, in banks and short-term investments with a term to maturity of three months or less at the date of acquisition.

Capital assets

Capital assets are recorded at cost and are capitalized in the Capital asset fund and amortized on a straight-line basis using an estimated useful life as follows:

Building and building improvement 5% per annum Furniture, equipment and computers 20% per annum

Amortization is not charged to operations but is recorded annually as a reduction of the fund balance in the Capital asset fund.

During the year, the Organization transferred \$17,772 (\$16,343 in 2021) from Oakville Community Foundation's Endowed Fund to the Annual Campaign, \$10,546 (\$0 in 2021) from the Burlington and \$98,595 (\$0 in 2021) from the Hamilton campaign funds to Campaign 2021 and \$4,752 (\$0 in 2021) from Burlington and \$16,120 (\$0 in 2021) from Hamilton unrestricted funds to the Campaign 2021.

7. Pension plans

The employees of the Organization participate in a defined contribution plan that covers all eligible employees. Employees become eligible after 12 months of service with the Organization. Employer contributions are based on a percentage of each employee's gross pay, at 4.25%. Total expense for the Organization's defined contribution plan for the current year is \$93,391 (\$91,965 in 2021), which is included in salaries and benefits.

8. Commitments

The Organization is committed under terms of operating leases for office equipment and office leases for the following minimum lease payments:

	\$
2023	191,957
2024	193,659
2025	195,458

9. Allocation of expenses

The Organization allocates costs to campaign and community services in accordance with the United Way of Canada - Centraide Canada's Transparency, Accountability, and Financial Reporting Policies for United Ways formally adopted by the movement in May 2005. General management and administration expenses (Schedule 6) which do not pertain specifically to campaign and community services are allocated based on management's estimates of time as indicated below:

	2022 %	2021 %
Allocation to fundraising expenses Allocation to program expenses	54 46	54 46

10. Financial instruments

Credit risk

Credit risk arises from the potential that a counterparty will fail to perform its obligations. The Organization collects pledges from donors in the normal course of its operations and maintains provisions for pledge losses. Due to the nature of pledges, the Organization is exposed to credit risk.

Interest rate risk

The Organization is exposed to interest rate risk on its fixed interest rate risk financial instruments, which subject the Organization to a fair value risk. Investments held in the reserve fund and the operating fund include investments in fixed rate guaranteed investment certificates which are cashable upon demand.

Liquidity risk

The Organization's objective is to have sufficient liquidity to meet its liabilities when due. The Organization monitors its cash balances and cash flows generated from operations to meet its requirements. As at March 31, 2022, the most significant financial liabilities are: accounts payable and accrued liabilities and the community investments.

11. Campaign revenue

Campaign revenue relates to donations mainly received from donors in the Halton and Hamilton area. Certain United Ways are requested to act on behalf of employers and employee groups as the coordinator of their national campaigns and to receive and disburse funds on behalf of other United Ways within local communities.
