## SPONSORED EMPLOYEE PROGRAM 2020

**A life-changing leadership opportunity for your emerging talent; while making a measurable impact in our community.**

Between September and December, Sponsored Employees are seconded to United Way to help execute its annual fundraising campaign. This year's campaign will be even more critical than year's past, as United Way works to help our community recover and re-build. During this 15 week term, Sponsored Employees brainstorm solutions, provide advice, facilitate services and deliver presentations and training to hundreds of volunteers and supporters. Through the support provided by Sponsored Employees last year, UWHH raised over \$10 Million.

### IMPROVE YOUR EMPLOYEES AND YOUR ORGANIZATION

- Over 60 hours of professional training and on-boarding for your employee
- Public recognition as a committed supporter of United Way Halton & Hamilton
